PROFILE

Enthusiastic and dedicated B.Tech IT student with a strong passion for front-end development. Eager to embark on a career in creating visually appealing and user-friendly web interfaces. Possessing a solid foundation in web technologies and a commitment to staying current with the latest trends and advancements in front-end development.

EXPERIENCE

SOFTWARE DEVELOPMENT INTERN

Relproc Engineering, Coimbatore June 2023 - July 2023

As a key team member in frontend development, I played a pivotal role in the successful creation of a robust ERP (Enterprise Resource Planning) application designed to optimize internal processes for employees. My responsibilities included implementing responsive design principles, integrating dynamic features, and ensuring seamless user interactions.

WEB DEVELOPMENT INTERN

CodeWay Solutions, Delhi (Virtual) Jan 2024 - Feb 2024

During this Internship, I completed projects including a personal portfolio, simple calculator, and landing page using HTML, CSS, and JavaScript. I designed and developed each project with a focus on user experience and responsiveness, showcasing my skills in frontend development.
